

Fundraising and Charities

Your non-profit organization can really "clean up" with Murrieta's Auto Wash Fundraising Program.

Who Qualifies:

- * Schools
- * Community Projects
- * Churches
- * Local Service Clubs
- * Athletic teams
- * Almost Any Non-Profit Organization

How it Works:

It's simple... Murrieta's Auto Wash supplies your organization with fundraising coupons, which you turn around and sell. These certificates are each good for one car wash at any Southland Auto Wash location. Your organization earns 40% of the money you collect! Certificates are specially printed, and serial numbered for easy control. At the conclusion of your group's sale period, you return any unsold certificates and pay the current retail price for each certificate sold. Murrieta's Auto Wash issues your organization a check for 40% of the money turned in. Customers can redeem the coupons for up to 90 days from the start date.

How Your Organization Benefits:

- * By raising large sums of money quickly, with nothing to buy or spoil.
- * No complicated order taking or delivery.
- * No merchandise spoilage or waste.
- * You sell a high quality service from an established and respected local company.
- * Your contributors get something of real value for their contribution.

Program Rules:

Murrieta's Auto Wash certificates may only be sold at the current full retail price. The sale period may not exceed 30 days.

Get Started :

- * Decide when you would like to do your fund raising program. (Plan one month to sell your coupons).
- * Decide how many coupons you think your organization will need. Contact us at info@murrietaautowash.com
- * Or Garrett Cox at 909-717-0000.
- * Sign the Murrieta's Auto Wash Fundraising Contract.
- * Have at least one representative of the organization take a tour of our facility and learn about our processes (each representative who attends will receive a complimentary car wash the day they attend).
- * Sell, sell, sell!

ABOUT US

Mission Statement:

To provide our customers fast, quality and courteous service at a fair price while providing our employees a great environment to work and grow.

Environment:

Each person can make a difference in helping protect the environment. Washing your vehicle at home wastes water. It also pollutes our oceans because of all the oils, dirt, brake dust, and other contaminants that will wash off your vehicle and eventually find their way to the ocean. At Murrieta Auto Car Wash, we minimize this by recycling our water. And these toxic elements are collected and taken to a processing center.

Community:

We pride ourselves on reaching out to and working with the community to help nonprofit and profit organizations alike with fundraisers, community awareness programs, benefits and worthy causes. Please contact us to discuss any ways that we may be able to help each other.
